-Your costume description label is attached to the bag this costume came in. **DO NOT THROW THAT LABEL AWAY!** It describes hairstyles, shoes, and tights information.

-Your costume should be fitted immediately. If you need alterations, please take care of that so that your costume will be ready for picture day. If you feel your costume is seriously mis-sized (alterations will not be capable of fixing it), contact the desk immediately! Check to make sure all pieces are in the package. Label everything with your dancer's name.

-Tights should be purchased immediately. Each dancer needs a fresh pair of un-used tights which they will use for photos and performance only. Do not let your dancer wear these to class. They must be the Capezio style and color described (and stocked in Glitter for your convenience) as all dancers should be dressed uniformly. They must be a new pair as the tights will change color with wear and washing. It is totally inappropriate to perform with discolored or damaged tights.

-Make up – All dancers are required to be in full stage make up for performance, and photo make up for pictures unless it is specified on their packaging that they will not have full make up. Of course boys are the exception. Full stage make up requires false eyelashes which should be purchased immediately these are stocked in Glitter for your convenience). Instructions for eyelash and make up application will be posted on the **Performance Info** page of our website within the next few weeks. Story Ballet and Jazz/Tap preschool classes are eyelash optional.

-Shoes – Your dancer should photograph and perform in the required class shoe. The shoe should be relatively clean and in good repair (no holes and the fit should be comfortable). If you will need new shoes, please purchase these as soon as possible to avoid back order issues.

-Underwear – Female dancers performing in form fitting dancewear should not wear panties under their costumes, only tights. If your dancer needs additional support garments for her costume, please purchase these asap as well. We stock Capezio dance bras, thongs, and support leotards. If you have questions or need advice, please check with the front desk or your instructor.
